

To be Retained by BSGA

Consultation Period: 11/2/19 **To:** 1/4/19
Development Plan: Local Plan Review 2018-2036
District: Blackburn with Darwen BC
Relevant Policies: Appendix – Policy 43
Or Narrative (refs): Paras 7.17 & 7.18

Background: The Council's present local is the Core Strategy (2011) and the Site Allocations and Development Management Policies DPD (2015). This Review proposes to merge these documents into a single new Local Plan. We tracked the progress of the 2015 Plan. It contains Policy 43 and short supporting text. Both policy and text are simple. Consent will be granted provided the advertisement does not harm amenity or public safety. Clutter is to be avoided; adverts should not distract drivers or hinder pedestrians.

The Local Plan Review proposes only to retain this Policy without change.

Comment: This simple policy remains wholly acceptable.

Date sent to Council: No comment necessary.
