Development Plan: Local Plan – Adoption 19/8/19
District: Wycombe DC
Relevant Policies: DM20(3)
Or Narrative (refs): Paragraphs 6.5-6.6

Background: This document has now replaced the Development Management policies within the Council's old 2004 Local Plan.

Policy DM20 states simply that advertisement proposals will be considered against the advice in the NPPF, i.e. only their impact on amenity and public safety will be relevant. Paragraph 6.6 of the supporting text explains there are no locally distinct circumstances that lead to the need for bespoke policies.

Comment: This is absolutely what we want.
